Personal Details

Date of Birth: 1990-10-01

Highest Career Level: Research Scholar

Work Experience

Research Scholar

Chandigarh, Chandigarh

I have published articles in some esteemed technical peer-reviewed journals and magazines. I have also peer-reviewed papers for some very reputed journals and conferences. In my M.E. I have worked on a project based on Active Noise Control in collaboration with National Aerospace Laboratories, Bengaluru, which was funded by UGC. I have given home tuitions earlier and also taught in a GATE academy for a brief period of time. I am a dedicated and hard-working individual with a zeal to learn and progress.
